GOVERNOR'S CONFERENCE ON AGING & DISABILITIES

MAY 23–26, 2016 • IOWA EVENTS CENTER • POWERED BY NASUAD

PLEASE JOIN US TO EXPLORE INNOVATIONS IN AGING & DISABILITIES!

This conference will celebrate older adults and adults with disabilities and shine a spotlight on the strides organizations and individuals in Iowa and across the country are taking to re-imagine the aging and disability networks. Discover more about:

- Advances in technology
- Methods to encourage self-advocacy
- Evidence-based programs promoting health and safety
- Changes in the American workforce
- Developments in public policy
- Activities to heighten public awareness
- Cultural and societal progress toward empowering individuals to achieve their goals for independence

FEATURING...

Plenary Speakers:

Terry Rich
CEO, Iowa Lottery

Paul Glassman, DDS, MA, MBA
Director of the Pacific Center for Special Care and Director of Community Oral Health for the Arthur A. Dugoni School of Dentistry, University of the Pacific

Mike Nardone
Director of the Disabled and Elderly Health Programs Group, CMS

Pre-Conference Intensives: Elder Law, Oral Health & Employment (included in registration fee)

Educational Workshops: 50 presentations and panel discussions from nationally recognized speakers and agencies that focus on the latest research, projects and best practices in the aging and disability communities (CEUs/CLEs available and included in cost of registration)

Networking Opportunities: Learn more from your colleagues and peers from around the country over continental breakfast (every day), lunch (Monday–Wednesday) and a special Networking Reception (Tuesday evening) – all included in the cost of registration!

Hands-On Experience: An Exhibit Hall showcasing state-of-the-art products and technologies
