PLANNING TIPS

VOTER INSTRUCTIONS:

When planning to vote and participate in the political process, remember that you may ask someone to assist you in signing your voter registration form and ballot (or sign on your behalf) **as long as it is in your presence and with your permission**. You are the voter—these rules are in place to protect and honor your rights and wishes. Remember, you can change your mind later if you want to vote in a different fashion. Making a plan just ensures you don't miss important deadlines for each option.
